

# Glass - Resin Integrated Component

## (1) Benefit

AGC's glass-resin integrated component brings new design possibilities.

- Wide screen
- Great design flexibility
- Waterproof, etc.

## (2) Primary specification

- Flush Surface : Gap < 10um
- Strong Adhesion
- Design Flexibility
- Color : Black , Blue , Red , White
- Glass Thickness ; 2.8~0.55mmt

## (3) High Adhesive Strength : 150×76×0.7mm,65kgf[Ave.]
